The camera in Holyhead is operated remotely

Thanks to those who have volunteered to learn
how to operate the camera – we know it is not
easy.

Please bear in mind that this is only the third time

The Welsh Government and Diocese have produced
a sixteen-page risk assessment with regard to the
safety of churches.

This has to be completed by 15th February

The date for reopening our churches is constantly
monitored.

We know the measures we have taken ensure that
the churches are as safe as they can possibly be
thanks to the stewards and cleaners.

We aim to commence services with the booking,
stewarding and cleaning systems as soon as we can.
